

# Akumal Art Festival

## November 8, 9, 10, 2019

### Akumal Pueblo, Quintana Roo

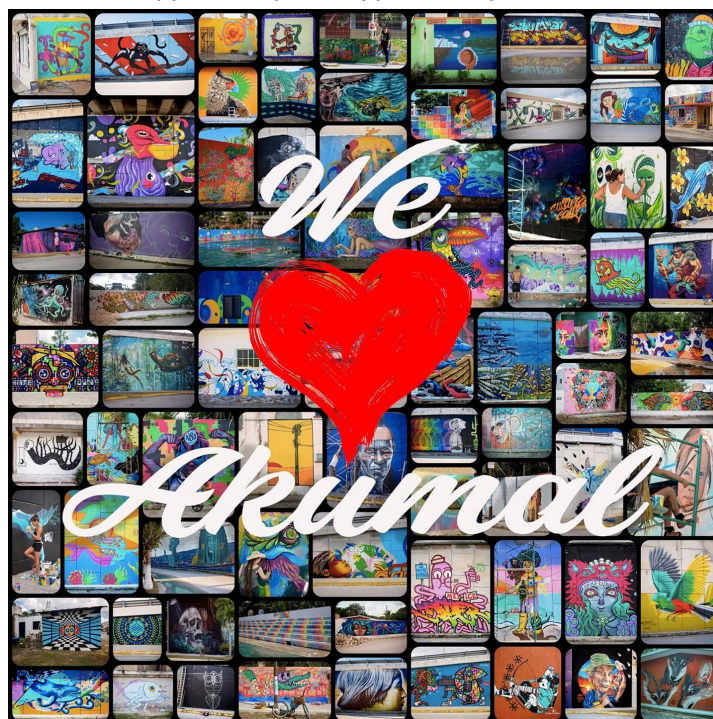

Presented by Turtle Bay Cafe & Bakery and Tortuga Escondida Residency Center

**The Festival happens November 8, 9, 10, 2019!**

Can you feel the excitement, the change in our community, a new sense of pride? Following the smash hit of our first annual Akumal Arts Festival preparations are underway for Akumal Arts Festival 2019. This year we'll have at least 100 artists, many of whom are returning to Akumal because the love is strong, recycled art projects with all schools, even more workshops and activities, contests, music, performing art, mercado and probably a few surprises thrown in. Please support our gem.

Akumal Arts Festival is a community based, global initiative. The vision is to bring a fiesta of art to Akumal Pueblo through an international consortium of artists making art, engaging community, enhancing and beautifying the town for locals and our many worldwide visitors.

*We appreciate your support; every bit counts!*
